January 2018

Dear Parents and Guardians,

District 202 recognizes that parent-teacher communication is vital to the success of your child's education and we encourage communication to be ongoing throughout the course of the school year. This letter serves as a reminder that this spring we will not hold a formal parent-teacher conference day. We encourage parents to communicate with their students' teachers throughout the year when needed by phone, email, or in person.

Thank you for your support as we strive to serve our students and families as efficiently and effectively as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "Glenn Wood".
