

## Winter 2020 SAT Course

**Dates:** Wednesdays, January 29, 2020 - April 8, 2020 \**diagnostic test on Saturday, January 18*  
**Times:** Section 1 from 2:30 pm - 4:30 pm / Section 2 from 5:30 pm - 7:30pm  
**Location:** Plainfield East - 12001 Naperville Rd, Plainfield, IL

### COURSE OVERVIEW

**Academic Approach is offering two options for SAT prep courses.** Our SAT prep course is best suited for students interested in improving their SAT score growth potential by reviewing key skill sets in reading, writing, and math, and their application on the SAT.

**Eighteen hours of total instruction** are customized to introduce reading annotation, math problem solving, grammar, and rhetorical skills, all with a rigorous emphasis on SAT standards and practices. As part of our course, students will sit for two full-length practice tests.

#### **Expertise Built on Experience**

As a team of educators, we have years of experience improving college readiness and closing skills gaps for students at a wide range of achievement levels.

#### **Content Built by Rigorous Research**

By developing all of our own content – including assessments, curricula, reports, and more – we can ensure the validity and expertise behind every service.

#### **Instruction and Insight Built on Data**

Robust data insights inform all instructional decisions and recommendations.

### COST AND REGISTRATION

Academic Approach's course is \$315 per student, which includes all course materials (manuals and practice tests). Students will only need to provide pencils and calculators for themselves. Registration is only open to Plainfield East students. **To register, please visit [academicapproach.com/plainfield-east](https://academicapproach.com/plainfield-east).** If you believe you may qualify for a scholarship, please email Rachel Barry at [rachel.barry@academicapproach.com](mailto:rachel.barry@academicapproach.com) to apply. **Registrations are due by January 10, 2020.**
