Works Cited Requirements
- Last slide of your PowerPoint
- Works Cited centered at the top of the page (no bold, italics, underline, etc.)
- Includes at least 2 sources
- Sources are listed alphabetically (by author last name)
- Uses hanging indent (left aligned, no numbering, bullet points, etc.)
- If you need extra help, google Purdue OWL for an MLA Style Guide.

For citing articles from an online database, follow the format below:
Author’s last name, first name. “Article Title in Quotations.” Title of Journal in Italics, vol. #, publication year, url. Access day month year.

For example:
