Exemption Criteria:

- A student may request a Physical Education (P.E.) exemption if they are a junior or senior and are enrolled in a band course for credit during the school day and participate in marching band, enrolled in a continuing education Wilco program, or participate in interscholastic athletics. These students must enroll in another academic course and maintain a full academic schedule to minimally include (6) courses for juniors and (5) courses for seniors. However, a senior cannot have Early Release or Late Start **AND** Senior Off-Campus Lunch.
- If a student drops or is dropped from band or Wilco, the student must be immediately scheduled into a P.E. course.
- Any student who was initially approved for a PE exemption due to athletic participation, but for whatever reason is no longer participating, will be required to immediately enroll in a PE class, via Early Bird, during the academic day, or through a correspondence course at student expense. A student cannot “double-up” on PE the following semester/year due to the daily PE requirement in Illinois School Code.
