Dear Parents/Guardians of Junior Students:

In preparation for high school juniors taking their annual standardized tests during the 2021-22 school year, we would like to inform everyone about important upcoming test dates and provide the Registration Form to register for the PSAT/NMSQT.

OPTIONAL: Juniors who are interested in taking the PSAT/NMSQT can register and pay \$18.00 to take the test on October 13, 2021, at their respective high school. The National Merit Scholarship program is an academic competition for recognition and college scholarships that began in 1955. **Interested students need to complete the Registration Form at the bottom of this page and return it to the Student Services office at their high school with a check for \$18.00 made payable to their high school. Registration Forms and payment must be received by Monday, September 13 at 3:00 p.m.** You can mail it to your high school Student Services office or drop it off during business hours, 7:00 a.m. – 3:00 p.m. If dropping it off in-person, you are required to wear a mask to enter the buildings. There is limited space available, so seats will be determined on a first-come, first-served basis.

FUTURE DATES:

GRADUATION REQUIREMENT: All juniors will take the Illinois Science Assessment between the dates of March 1 – April 29, 2022. Students will be assigned a date and time closer to the test window.

GRADUATION REQUIREMENT: All juniors will begin taking the SAT on Tuesday, April 13, 2022.

Sincerely,
