

Dear: Senior Parents, Guardians, and Class of 2022,

As we move closer to the end of the school year, below you will find brief but important information regarding end of the year activities for the Class of 2022. Although the 2021-2022 school year presented many challenges, please know that I consider it a great honor to have been your principal during this unique time. I am so incredibly proud of this outstanding group of young adults. Confronted with constant change, they were determined, held their heads up, and pushed through all obstacles in their path.

More information will be coming for each event, but we wanted to send the dates as soon as possible. If there are changes to any dates, we will communicate quickly with our Senior Families.
